Let’s we go to school, for our bright future. This motto was expressed by the Mayor of Palembang, who was represented by the IVth Assistant of Sekwilda, Mr. Erwin Bakri, in the Socialization of Bogor Agricultural University, which was combined with Pelambang Students Association IKAMUSI on “Try Out in 2012”, on 29 January 2012, at Grand Duta, Pelembang.

Musi Palembang Students Association invited about 450 (four hundred fifty) high school students from Palembang and its vaccinity. But on the D day, more than the 700 (seven hundred) students came to attend the event, therefore, the organizing committee refused around 300 students, due to limited seat capacity. Dean of the Faculty of Agriculture, Dr. Sam Herodian, was the resource peron for the Socialization of Bogor Agricultural University who was accompanied by the Canvasing Team, Mr. Rachman, HM. (Wied).
