Hundreds of students from SMA Hutama, Bekasi, filled the Auditorium Andi Hakim Nasoetion, Campus of IPB Darmaga, in the Study Tour at IPB (21/3). As Head of School, Hj. Rusmianti SE, said that the purpose of the group to IPB was to increase the student's interest in agriculture and also motivate the student to go on to higher education, especially in IPB.

One alumnus of SMA Hutama graduated in 2009, Doni managed to enter the IPB at the Fisheries Technology of the Faculty of Fisheries and Marine Sciences in 2012 through Ujian Talenta Masuk IPB. "Although we are from Private SMA, but we are also able to enter the public universities. In my department, most Bekasi kids accepted are coming from SMAN 1 to 8, only I do from the Private SMA. As long as my friends are willing and able to try, definitely you can" he said in the presence of younger class. According to him, the competition occurred does not see it from private or from public school. "Being viewed is that the soft skill when graduating from SMA. I develop again the soft skill at IPB," he said.

Meanwhile, the resource person from the Public Relation and Protocol Division of IPB, Siti Nuryati, STP, Msi, parsed the excellences of IPB as the nation's largest agricultural university. (zul).
