Around 50 people of Satuan Kerja Perangkat Daerah (SKPD) Kuningan District came to visit Pos Pemberdayaan Keluarga (Posdaya) Sejahtera on Friday (22/2) in Bubulak, Bogor.

There, they were welcomed by the researcher of P2SDM IPB, Ir. Yanefri Bachtiar, M.Si., and the Head of Posdaya Sejahtera, Madsa'i. Within this Observation Study Tour, the Head of Posdaya Sejahtera asked the group chaired by Endi Susilawandi to visit the centers assisted by Posdaya Sejahtera, amongst all were center for plant breeding, craftsmen bag, craftsmen birdhouse, Posyandu, PAUD pelangi, adolescent counseling, candied nutmeg product and so on.

In his speech Endi said, his visit to this Posdaya Sejahtera was none other in order to gain knowledge and learn about Posdaya which was built by this P2SDM LPPM IPB. "Our visit here is to know more about Posdaya," he said in the beginning of his speech.

Not only invited to visit the centers assisted by Posdaya, they also offered a variety of products of Posdaya Sejahtera, like, candied nutmeg, nutmeg syrup, brown taro, snacks and so on.

P2SDM IPB, Ir. Yanefri Bachtiar, M.Si., when interviewed said, that Kuningan District Government expected a lot to develop this Posdaya in his area, because they viewed the Posdaya to be always involved in the participation of its people. (man)
