Director of Bank BRI handed over the donation for the Infrastructure Renovation to the Directorate of Career Development and Alumni Relations of Bogor Agricultural University. The donation was symbolically handed over by the President Director of Bank Rakyat Indonesia (BRI), Mr. Sofyan Bashir, to the Rector of the University, Prof. Dr.Ir. Herry Suhardiyanto at the Stadium General for fresh graduates at Grha Widya Wisuda, Darmaga campus, on 23 May 2011.

The donation was intended for the Center for Career Development and Alumni relations (DPKHA) of the University, to improve the accessibility of alumni to access career opportunities provided DPKHA IPB. In his remarks, Rector of the University stated that many alumni have been active in the banking world, including Bank BRI.

To the graduate candidates and students who attended the even, Rector expected that they won't add to the long list of unemployed educated people, but they will capable to utilize intelligently the opportunities for entrepreneurship. In addition, Mr. Sofyan Bashir, offered to a number of candidates to join the BRI big family, as BRI will open opportunities for around 4200 (four thousand two hundred) vacant posts.

Of course, those opportunities should be achieved through healthy competition, hard work, passion and solutions for better future, "he explained. The Stadium General was attended by Director for Commercial Business of Bank BRI, Mr. Sulaiman Arief Ariyanto, noted celebrities, Ms. Becky Tumewu and Ms. Susi Pujiastuti (CEO Susi Air). (Wied).
