The series of IPB's 48th Anniversary activities were officially closed on Wednesday (23/11) by IPB Rector Prof.Dr. Herry Suhardiyanto. This was a simple closure held in the Rectorate Building of Andi Hakim Nasoetion, Dramaga campus of IPB Bogor.

Chairman of IPB's 48th Anniversary, Dr. Meika Syahbana expressed thanks to all of the IPB academic communities who have given support for the event of this year. Dr. Meika also asked for apologies for any shortcomings during the running of the event

Thanks and appreciation was also delivered by IPB Rector Prof.Dr. Herry Suhardiyanto, M.Sc., to both internal parties in IPB and external parties or partners who have helped with the implementation of the various activities in the IPB's 48th Anniversary

In line with the theme of the anniversary "IPB Innovations toward a New Era of Indonesian Agriculture", Rector invites the academic communities to continue to increase innovation and achievement in the years to come. "There's no reason not to excel. Let's continue and improve," said Rector.

At the closing ceremony, a number of prizes were also handed over to the champions in sports competition during the IPB's 48th Anniversary (Mtd).
