Student Association of Science and Marine and Technology (Himiteka) of Faculty of Fisheries and Marine Sciences - Bogor Agricultural University (FPIK IPB) held a free TOEFL Test Prediction, on Saturday, 5 May 2015. The program was attended by 101 participants from various batches, and was led by the speaker of English First (EF) as one of the leading English language Tutorial Center in Bogor.

This free TOEFL test was first of its kind to be held, and it was a joint program between the Division of HRD of Himiteka 2015 and English First (EF). The objective of the program was to support the soft skills development of ITK IPB students, especially their English proficiency as Department of ITK has been accredited by IMAREST International.

Suli Angga (ITK 49), one of participant said, "I learned how to do the TOEFL test ". Meanwhile, EF staff Endang, says, "Do not give up to learn English!".(Wied)
