Student Association of Marine Science and Technology (Himiteka), Department of Marine Science and Technology (ITK), Faculty of Fisheries and Marine Sciences (FPIK), Bogor Agricultural University (IPB) held the journalism training, Monday (18/5) in Function Room, Department of ITK, Campus of IPB Dramaga Bogor. The activity followed by 40 participants presented the resource persons of Beginer Subhan, M.Si (ITK 34) and Ragil Ramadhani (ITK 49).

“The main objective of this activity is to improve the ability of the members of Himiteka in writing news articles to support the publication of activities in ITK,” said Januarizka (ITK 49).

The material provided on this training was about the news difference with the opinion and the editorial. Then it was also presented an interesting way of writing the news so that it would be interesting to read, and the rules for news writing. In addition, it was also delivered the material of shooting techniques using the camera. “The show is great, to be able to motivate us, let more passion to write and publish yourself,” said Syifa Nurafif G (ITK 49), one of the seminar participants.\*\*\*
