

[28 Mei 2007] In Campus Recruitment KRAFT Foods

**IN CAMPUS RECRUITMENT
Graduate Traineeship Program
Kraft Foods (Cikarang Plant)**

Kraft Foods is a global food company headquartered in Northfield Illinois. For more than 100 years, Kraft has been dedicated to help people around the world eat and live better. In more than 150 countries, consumers reach for their favorite Kraft brands which mostly are leaders in the market such as Kraft, Oreo, Ritz and Toblerone.

We are currently looking for young talent for our Manufacturing Plant through

Graduate Traineeship Program - Bogor

Our Graduate Traineeship Program focuses on recruiting the best early career talent to grow with our business and on developing leaders for our future. The trainees will be given various assignments in several departments in our organization in order to give the trainees the opportunities to network with each other, learn about departments' functions, and develop personally while adding value to the organization.

Who are we looking for?

- S1/S2 degree with min GPA 3.0 majoring in
- - Chemical Engineering, Electrical Engineering, Engineering Physics, Industrial Engineering, Mechanical Engineering, and Electronics & Instrumentation
- - Food & Agricultural Product Technology, Agricultural Industry Technology, Food & Nutrition Technology
- - Chemistry, Biology, Microbiology
- - Accounting
- Fluent in English & less than 1 year professional experience;
- Show leadership and team-working abilities;
- Open-minded and eager to gain Plant/Manufacturing hands-on experiences;
- Willing to be placed at our plant in Jababeka, Cikarang and willing to work shifts
- Geographically mobile; willing to explore international opportunities
